TOKIO INKARAMI

Effects of INKARAMI

The world's first professional hair treatment to replenish lost keratins and interlocks them using the patented technology "INKARAMI", and finally seals up the cuticle by replenishing the lost CMC. INKARAMI's objective is to restore damaged hair back to the original healthy hair, allowing hair to regain strength, silkiness, shine and moisture!

- 1. No. 1 Repairing Power:** results in restoration of hair's strength up to 140%
- 2. No. 1 Enduring Strength:** bonded macromolecular keratins will guard against protein loss, resulting in lasting effects
- 3. Most Wanted Shine:** restoration of healthy hair will provide the natural radiance of beautiful virgin hair
- 4. Lightness and Softness Feel:** expect a total difference from the conventional heavy "silicone treatments"
- 5. Amazing change in hair quality:** thanks to the Nobel Prize Winning Ingredient FULLERENE, world's strongest anti-oxidant.

Who needs INKARAMI?

- Tangled Hair
- Permed Hair
- Bleached / Coloured Hair
- Flat Iron / Blow-Drying users
- Over-Brushing / Brush hair while wet
- Over-Shampooing / Used wrong shampoos
- Dehydrated hair
- Unruly hair, difficult to manage hair
- Extensions and Weaves
- Environmentally effects like UV damage, swimming etc
